

No.PKDIMS/ACADEMICS/ESTT/2021-22-05

Dated, the 30th April'2021

CIRCULAR

Kerala University of Health Sciences has tentatively scheduled the IIIrd Professional MBBS Degree Part.II commencing from 10th May'2021. For appearing in the Final MBBS examinations, the students should strictly follow the following instructions of the NMC/Government of Kerala/KUHS and Covid Jagratha Committee of this Institution:-

All Students

i) All the students(including Day Scholars/Hostlers) appearing in the Final MBBS Examination should undergo RTPCR Test at P.K Das Institute of Medical Sciences on 9th April'2021(Students who have already taken two dose of vaccine and completed 15 days can take Antigen Test as per the norms).

ii) All the Day Scholars should report on 2nd May'2021 and undergo RTPCR Test and stay in Hostel for seven days quarantine otherwise they should take RTPCR Test one day before of each examination and produce the negative report before entering into the examination hall or Antigen Test if they have undergone two dose of vaccine and completed 15 days.

Students Tested positive for Covid-19

iii) A separate room will be made available for the students tested with Covid-19 positive. The students and invigilators should wear the PPE Kit for the examination. They should report to the Institution accordingly. Also adhere all other Covid-19 Protocols and prior intimation be given about tested positive.

iv) They should not mingle with any other students/faculties/staff etc.,

v) The doors and window of the examination hall/room should be kept open so as to ensure sufficient ventilation.

General Guidelines

vi) The students attending examination should have no contact with any Covid-19 positive patients or suspected cases within last 14 days and have not come into contact with any returnee from other country or state. They should intimate the same to the office.

vii) The Candidates coming from other Country and State should submit Covid 19 Negative Certificate well before the examination. They should report here latest on 2nd May'2021.

viii) They should give an undertaking that they had not participated in any social gathering like marriage, Birthday Party or cremation for the last 14 days.

- ix) Candidates should not be allowed for crowding outside or inside the examination hall.
- x) Candidates should bring their own pen, pencils, drinking water, face masks, gloves, hand Sanitizer and erasers and not permitted to share the same.
- xi) Mobile Phones and wrist watches are not allowed.
- xii) Everybody inside the Exam Hall should wear face masks and face shields.
- xiii) Examiners and invigilators should keep social distance from the candidates. They should wear gloves.
- xiv) Candidates are advised to go away from the premises immediately after the examination.
- xv) Candidates are advised to take soap and water bath after reaching their places of stay.

Special Instructions of Practical's

- xii) Clean the eye piece and knobs of the microscope using sanitizer solution before and after each use.
- xiii) After each procedure/task candidate should wash hands with soap and water.
- xiv) Ensure that patients recruited for exams should be Covid free by appropriate screening.

2. The Community Medicine Department should ensure screening of the students at the main entrance of the Medical College. Those who are having Fever, Cough, Breathing difficulty or signs of upper respiratory infection should not be allowed inside the College/Examination Hall. All Candidates who are appearing for the examination, should report in front of the Medical College at 07.00Am for screening and check of other health issues and ensure that no symptoms of Covid-19 is noticed before entering into the Medical College/Examination Hall. All the arrangements for screening and other health checkup be done by the Community Medicine Department with the support of Administrative Office.
