16	Ms Jesna Babu Statistician-cum-Tutor, Dept of Community Medicine	Member

The Committee will update/modify, as per the Rules in force, the Standard Operating Procedure to conduct research activities of the college, more efficiently. There is a consistent need to carry out Research and Development and activities for the betterment of the society. The committee will screen the research proposals being received by them from the members of the Faculty and MBBS students (ICMR proposals) and only eligible proposals be recommended to the Institutional Ethics Committee for its approval. The Committee will sit in regular intervals for the above purpose. **At least fifty per cent of the total members should be present in the meetings for the decisions to be valid.**

All Research proposals involving human/animal subjects, biological samples or data requiring scientific review must be vetted by the Institutional Scientific Committee before they are placed before the Institutional Ethics Committee for approval. Whenever a research paper is presented to the Committee, the Head of the Department concerned or in her/his absence, one senior Faculty-member of the Department will be the member. **The Office Order dated 01.08.2025, cited first above, will stand modified to be above extent.**
